WEALTHCARE
financial guidance for life

Fee Schedule

Wealthcare Advisory Partners is committed to full transparency regarding the fees our clients pay. In providing **comprehensive goals-driven financial planning and investment management services** — supported by ongoing monitoring and a high level of client service — we believe our compensation is consistent with our fiduciary obligations, industry standards, and the scope of services delivered.

The fee schedule below outlines and distinguishes the fees associated with investment management services and those associated with financial planning services.

Fee Schedule

Each client relationship is governed by a written advisory agreement. Fees are determined based on the scope and complexity of services provided and are outlined in the client's agreement.

The advisory fee includes investment management and comprehensive financial planning. Planning services include retirement income analysis, income tax strategy, and coordination with the client's other professional advisors.

Clients may be offered the opportunity to participate in certain private or curated investment opportunities, subject to suitability standards and applicable regulations. Fee does not include third party managers.
