Fee Schedule - Planning

Wealthcare Advisory Partners offers full transparency regarding the fees our clients pay. By providing Comprehensive Goals-Driven Planning and Investment Management Solutions for our clients, coupled with ongoing monitoring and a concierge level of services, we believe the compensation we receive aligns directly with our industry and our service model.

The following fee schedule separates our fees by financial planning services as outlined in our Statement of Services.

Fee Schedule

Each client relationship and fee schedule can vary depending on a variety of factors. As always, the fee arrangement is fully disclosed and agreed upon prior to the commencement of the client agreement. Please inquire with questions regarding how the fee schedule would apply to your specific situation.
